# Images behave as openings, not decorated

- Twelve columns on desktop and four on mobile.
- Controls 48-52 px, control radii 0-2 px, image radii at most 16 px.
- No cosmetic pills, arch icons or permanent decorative effects.
- Motion lasts 240-400 ms and never morphs product geometry.
- Use one readable light source and grazing light on the thickness.
- Pair frontal recognition with a side or rear proof.
- Domestic objects require credible source, scale, material and gravity.

Generated images create desire.  
Real images create proof.

# Consistency is the identity.

- Never use TAKA. Never merge ISANDRE and TAQA into one house name.
- Never add an arch, fake Arabic alphabet or generic Moroccan motif.
- Never repeat L'ENTAILLE or use it with gradients, shadows or photographs.
- Never claim French manufacture, popularity, scarcity, press or provenance without proof.
- Never fabricate workshops, artisans, owners or manufacturing evidence.
- Never alter product geometry to improve an image composition.
- Never release the bronze plate before 1:1, engraving, fixation, abrasion and NFC tests.
